***DISCOUNTS/CREDITS:** In-Vitro embryo production as we all know has its ups and downs and is not without its risks. We would like to lift some of the financial burden for our clients who may, on rare occasions, experience extreme extenuating circumstances.

- If 3 ICSI sessions are performed with the SAME Mare/Stallion combo on 5 or more oocytes each session, with no embryo produced, the 4th ICSI session is on us (ANY mare/ ANY stud).
- If 3+ embryos created from a SINGLE SESSION are transferred FRESH for 0 pregnancy at the 14 day check, embryo fee credit will be given for future ICSI sessions for each embryo transferred that did not result in a 14d positive pregnancy. *Terms & Conditions apply
 - A 15% Discount will be applied to EACH CASE for multiple mares going to same stallion on same day (\$595 ICSI Fee/ mare)
 - Multiple embryos shipped to the same location on the same day will also receive a shared shipping discount between clients!

~Due to our proximity to Weems & Stephens Equine Hospital and Select Breeders Southwest, we will be able to pick-up and drop-off oocytes/embryos/semen at no additional cost to you if using their services!

Please NOTE All charges and fees will be charged directly by Vita Nova Reproduction Center, PLLC to the responsible party as given when a contract/credit card form is placed on file.
